

→ Profile

The Worldwide Broker Network Ltd. (WBN), is one of the largest independent Global Insurance Brokerage distribution systems in the world today. Its membership of 70 firms in 79 countries is represented by Insurance Broker firms who are independently owned and are market leaders in their country and industry. Founded in 1989, its membership, forged on 20+ years of strong relationships and respect, have worked together to serve the needs of their mutual international clientele. WBN has consistently delivered outstanding Property & Casualty and Employee Benefits services to a diverse spectrum of industries, located in multiple countries throughout the world. Operating from its four regions of North America, South and Central America, Europe and Asia, its membership - working through its proprietary global information management system WBNet Global Management - is able to offer sophisticated project management to address their client's needs and objectives, while maintaining a
